

Data sheet for Horizontal tank mounting pricing (preliminary)

№	Fill-in instructions		
	Terms	Fill-in example: Yes	Fill-in example: No
1	When filling in the electronic form, you need to make a color fill of the corresponding cell with the answer option.		
2	When filling in the form in handwriting, you need to mark the corresponding cell with the answer option.	<input type="checkbox"/> X <input type="checkbox"/> V	<input type="checkbox"/> X <input type="checkbox"/> V
3	If none of the proposed options is marked and there are no comments, then our vision will be taken into account when calculating.		

№	General data	
4	Sales stage	Preliminary collection of Price quotes for budget formation
		Preliminary collection of Price quotes for Bid issue
		Collection of Price quotes within the framework of the tender
		The tender has already been won, and the Customer is looking for a contractor.
5	Construction site (adress, region, town)	
6	Customer entity	
7	End customer with an indication of belonging to the government entity	
8	Number of tanks, pcs.	
9	Tank material design	
10	Medium stored	
11	Capacity, m ³	
12	Work degree in confined spaces	low
		middle
		high
13	Restraints*	
14	Estimated time of work performance on tank erection (you can specify the season)	

* trafficability (only winter road or air transportation); access control procedure (coordination with security organizations); borderland (permits registration); private roads, etc. Describe.

No	Tank specifications	
15	Tank location	underground
		aboveground
16	Tank design	single-shell
		double-shell
17	Compartment number	More than three
		two
		one
18	Tank weight, t	
19	Tank dimensions, mm	
20	Tank supports type	Metal on metal structures
		Metal on foundation
		concrete
21	Service platform	Yes
		No
22	Distance from the tank to the customer, m	

No	Work performance conditions		
	Terms	Area of responsibility of a Contractor	Area of responsibility of a Customer
23	Construction machinery and equipment (crane truck, power shovel, etc)		
24	Erection crew residence		
25	Erection crew food		
26	Electric power supply, cost of energy (for construction work)		
27	Water supply, its disposal and its cost (for hydrotesting)		
28	Garbage removal from the construction site		
29	Provision of the necessary facilities on site*		
30	Erection crew delivery from the residence to the construction site (daily)		
31	Providing of the personnel accomodation and installation equipment at site (accommodation space, toolroom)		
32	Regulatory approval		
33	Non-destructive inspection laboratory		
34	General construction work (tanh foundations, pipe supports, etc)		

* building-site road arranging and maintenance, sanitary zone, equipment and materials storage location arranging

№		Safety and automation systems, heater and heat insulator construction	
35	Safety system		lightning-discharge protection
			fire alarm system
			gas hazard monitoring
			other (specify):
36	Automation system		none
			emergency control equipment
			automatic control
			other (specify):
37	Heater assembling		Sectional coil pipe (heat transfer medium — steam, oil)
			jacket
			electric
			other (specify):
38	Heat insulator fastening		Yes
			No
39	Installation of heat insulation		Yes
			No
40	Heat insulator thickness, mm		
41	Installation of pipes heat insulation		Yes
			No
42	Heat insulator thickness, mm		

№		Tank anticorrosive coating	
Term		Yes	No
43	Tank anticorrosive coating		
44	External anticorrosive coating:		
45	Sand blasting		
46	Coating type, layout number		
47	Internal anticorrosive coating:		
48	Sand blasting		
49	Coating type, layout number		

№ n/n	Other works		
	Term	Yes	No
50	Is there piping construction project drawings and specifications?		
51	Repair of foundation		
52	Foundation demolition		
53	Foundation arrangement		
54	Piping foundation arrangement		
55	Is there foundation construction project drawings and specifications?		
56	Is there storage plant project?		
57	Regulatory approval		
58	Other works (if any, specify):		
59	Additional equipment and structures assembling (if any, specify):		

№	Need of design development		
	Term	Yes	No
60	RC construction design (foundations)		
61	Surveying		
62	Storage plant project
